

RDV Sportsplex Ice Den Recreational Hockey League

Summer 2010 Season

Option 1 – Team Fee @ \$3,445.00 + tax

One payment, (Credit Card, Check, Cash Accepted)

No minimum roster amount required.

By paying a team fee, teams are able to save more money than if each player pays separately. Paying the league fee as a team reduces administrative costs for the rink and therefore the Ice Den can pass the savings on to the team. To qualify for a team fee, the team must be paid in full prior to the first game of the season.

Option 2 – Per Player @ \$306.00 + tax

Minimum 11 player roster required.

Teams paying as individuals must have a minimum of 11 players on a team. Teams with less than 11 players reserve the right for the Ice Den to place new players on the roster to meet the minimum roster requirements.

Each team in each division is guaranteed a 15 game season.

Player/team registration will be available in the Ice Den lobby. All players need to stop by the registration desk to make their payments, complete emergency contact form and sign the waiver of liability.

Online Payments – the Ice Den will offer players the option to pay league fees online for the 2010 season. This functionality is now available for use.

Instructions on how to register will be sent to the players in a separate email. Payments can be made for team fees or individual payments. The Ice Den will still offer the ability to make payments at the Service Desk in the form of cash, check or credit.

Player Discounts – player discounts are available for Ice Den employees and in-house hockey coaches. Contact the hockey coordinator directly to determine if you qualify for hockey discounts.

Employee Maximum – teams are limited to a maximum of 4 discounted players per team.

Pointstreak Rosters - Pointstreak rosters will be placed at the service desk. A team representative will be required to confirm the game roster before the game will begin.
